Year 11 Students Commence Tuesday 31 January 2023

Dear Year 11 Students,

Congratulations on beginning this new stage of your schooling life. Year 11 is an important milestone in your schooling journey, and it is crucial to take every opportunity, tackle the challenges you face, do the best you can to reach your goals and enjoy all the moments with your peers and teachers.

Over the last two years you have worked tirelessly to remain motivated and keep up your good efforts towards your studies despite the challenges of the pandemic.

As you begin your preliminary studies you will notice that the bar is set higher in all aspects of your daily schooling life. By remaining organised and taking a consistent approach towards your learning, you will be able to conquer the challenges that you face particularly during assessment periods and when balancing your social and schooling life.

Being senior students and representatives of Blacktown Girls High School, it is essential that you carry yourself with grace and integrity as you are role models to our younger students. By remaining committed to your learning, wearing your uniform with pride, and remembering the importance of punctuality by arriving to school and class on time, you can meet those high expectations as role models.

As you navigate this year, know that you are well-supported here at Blacktown Girls High School by your committed classroom teachers, myself as your Year Adviser, Head Teacher Wellbeing (Ms Simm), Deputy Principal (Ms Hunter) and Principal (Mrs Trimmis). Our wonderful counsellors are also available to offer confidential service and support. Taking care of your physical, mental, and emotional wellbeing is at the forefront of your success in Year 11 because by doing so you will ensure that you can confidently progress and reach your fullest potential.

In Connect lessons this year you will be learning about different strategies to cope with stress and the challenges that you may face in your adolescent years, as well as techniques to study effectively and balance your school and personal lifestyles.

I look forward to an amazing year ahead with you all and rest assured that by doing your best and working together - a Blacktown Girl can do anything.

If you have any questions, you would like answered please feel free to call the school on 02 9831 7577.
