

BLACKTOWN GIRLS HIGH SCHOOL

A Partially Selective Girls High School

Dear Parents and Caregivers,

Another successful year has been experienced at Blacktown Girls High School with many highlights and achievements. It has been an extremely busy year that has allowed us to continue to deliver an inclusive education for all students including our selective stream and the local comprehensive strands by focusing on quality teaching and learning. We embrace and celebrate our cultural diversity and have provided many proactive programs promoting a culture of care, respect and tolerance, allowing students to feel safe, happy and committed to achieving their best.

We have continued to focus on empowering students to successfully engage in 21st century employment and life including the development of relevant skills in literacy, numeracy and ICT. This has seen the continuation of our strong push and drive in Reading to Learn Literacy and Numeracy and our moves into future-focused learning.

In 2018, our school continued to build on our strong results of 2017; achieving excellent results in NAPLAN literacy and numeracy; with close to half of our students achieving results in the top two bands in Writing, Reading, Spelling and Numeracy.

Developing young women who are independent, self-directed and inherently motivated learners has remained a major goal and direction for us throughout the year and has seen many staff engaging in researching current education strategies and pedagogies suitable for the future-focused learners. We aim to produce students who are independent thinkers, innovative risk takers, creative thinkers, resilient, empathetic, problem solvers and life-long learners. Their educational experience should be holistic, real world, diverse and future-focused.

We have continued our drive to provide students with a challenging, relevant and engaging curriculum that is inclusive of all learners, designed and delivered by a quality teaching staff who are equipped to enhance the educational experiences of their students and themselves in a learning environment with strong, mutually respectful relationships.

Blacktown Girls High believes all students have the right to an authentic educational experience supported by current research and best practice.

The school has also focussed on empowering staff to promote a culture of high expectations in an environment of professionalism, collegiality and support. We believe that purposeful, strategic and self-directed staff development within a professional and collegial environment will help ensure teacher quality and high standards for all members of the BGHS community.

This in turn will lead to strengthened personal aspirations and enhanced learning for both students and staff.

Some of the highlights of the year included:

The 2018 HSC results were, once again, very pleasing; with the majority of students gaining entry to the courses of their choice at a wide range of universities. A growing number of students gained 'early entry' offers to universities while a significant number of students received multiple offers to universities. Others, gaining longed for employment.

Our connection with the BEACON Foundation, an organisation assisting schools to forge partnerships with the local business community has kept us busy all year culminating in the Charter Signing for Year 10 students and their celebration dinner. At these functions Year 10 students pledged to continue with education until gainful employment is found. This was countersigned by our business partners, pledging their support to ensure that this happens.

Term 1 brought our three major sporting carnivals - swimming, cross country and athletics. It never ceases to amaze me how both the level of general participation and the level of excellent results that are achieved at these carnivals. I thank the whole staff for their efforts here and of course the PD.H.PE faculty for their amazing organizational skills.

Another highlight is the continuous work and dedication of our Parents & Citizens Association. Although a small group, our P & C are vigorous workers. I would like to extend my sincere thanks to the members of the P & C for all their hard work during the year. If you have some spare time on the fourth Wednesday of any month please come along and join in at 7:00pm in the library.

I would like to draw attention to our ongoing involvement and successes in so many extra curricula activities including, to name only a few; the Macquarie University Robotics Program and the Lego League Robotics Program - Our Robotics crew's achievement in gaining first place in the 'First Robotics Competition', earned them entry to the international competition in Houston, Texas; Our Refugee Action Programs, The Refugee Transition Programs, Macquarie Mentoring, AIME, Vocational Education & Training programs. The lists goes on and on as does the support from our amazing staff who run these programs; many on a voluntary basis and in many cases giving up their own time.

Our CAPA faculty also organizes many extra-curricular events. This year two high quality showcase events were conducted featuring the work of the Music and Dance students and Ms Kennedy never ceases to amaze us with her drive – particularly with the amazing Tribal Drum group. This year they have been performing in many places outside of the school. Students, utilising skills and techniques imparted by the CAPA staff have won a number of awards in competitions hosted by various groups in the community. I particularly would like to thank the CAPA staff for their significant contribution in keeping the arts alive and flourishing at BGHS.

A significant milestone has been reached at BGHS now in that every teaching space is now air-conditioned. This year we added significantly to the stock with the goal of making a comfortable learning environment throughout the year for all students and staff.

It is the payment of school fees that facilitate undertakings such as this so please if you want to see BGHS continuing to provide first class facilities, we need to ensure that all fees and contributions are paid. Thank you to those parents who have continuously supported the school in this way.

In November, two of our teachers were recognised by the Australian College of Educators and presented with awards for Excellence in Teaching. Ms Teneille Biasetto from the English (ESL) Faculty, Ms Joanne Willis from the TAS faculty. Congratulations to both outstanding and dedicated teachers. It is really pleasing to see our staff recognised at such high levels.

To the teaching and administrative staff and especially the school executive team, I would like to offer my sincere thanks for your dedication throughout 2018. To the Deputy Principals, Ms Trimmis and Mr Sandoval, I sincerely thank them for their tireless efforts throughout the year, for their leadership and the passion that they both show for improving the skills of our profession and the skills of motivating and leading learning.

It is obvious and easy to determine from the points made above that it has been another great year for Blacktown Girls High School. We look forward with great anticipation to 2019 and working with our school community to provide the best possible learning environment for every student and in making a difference in the lives of our students.

Can I take the opportunity to wish everyone a safe holiday. Safe travels if you are travelling away and a Merry Christmas for those who celebrate it. I particularly look forward to an even more successful 2019.

kindest Regards,
 Jeff

DECEMBER 2018

Mr Krystopher Johnson
Year 10 Adviser

WELCOME TO YEAR 10

**YEAR 10 STUDENTS RETURN TO SCHOOL
ON
THURSDAY 31ST JANUARY 2019**

We would like to take the opportunity to inform you about the 2019 academic year.

- ◆ Years 7, 11 and 12 start on Wednesday 30th January
- ◆ Years 8, 9 and 10 start on Thursday 31st January

Congratulations to those of you who have worked to your personal best in Year 9. Your hard work and good study habits will continue to be put to good use this year as we complete the RoSA (Record of student Achievement). Students will continue to study two elective subjects. We hope you have now become comfortable in using many of the wonderful programs that are available on your laptop and are keeping it safe. They will play an integral role in lessons in 2019.

The behaviour code continues to emphasise the **SHARE** and **LEARN** principles, which are -

So that the 'hard work' principle can begin on Day 1, you are invited to purchase in the holidays, the books and equipment required (see list over page). Students are also reminded to keep their year 9 books as they form an important part of their Stage 5 Curriculum outcomes.

Two other principles that I would like your focus on for next year are 'appropriate attitude' and 'responsibility'. It is essential that in order to be able to successfully complete Year 10, all assessment tasks are attempted to the best of your ability and submitted by the due date. If you fail to do so you will be expected to complete documentation explaining your inability to do so. This will be sighted by the Deputy. Failure to follow the appropriate procedures could mean the possibility of an 'N' Determination for that course. That is why it is crucial to come to school prepared and ready to learn.

Students are expected to be in full school uniform, especially black leather shoes. An information sheet about school uniform requirements is attached. Please note that students out of school uniform may be sent home with parental permission to dress correctly. A suitable sized bag is also recommended keeping in mind that laptops and PE uniform will be a regular inclusion in the school day. Be ready to start work first day back.

With changes in the stage 5 credentialing in NSW there are no longer any external School Certificate tests. Students will still be graded in all of their courses, and these grades will be provided to NESA for a RoSA (Record of Student Achievement). Formal assessment will be conducted throughout the year, including Term 4. As such students are expected to attend school full time through to the end of Term 4.

GEOGRAPHY	1 x 240 page exercise book 1 display folder – 20 page 1 x 16 GB USB (can be used for all HSIE subjects)
PD/HEALTH/PE	1 x 128 page exercise book , PE uniform , supportive sport shoes
SPORT	PE uniform – supportive shoes

ELECTIVES

Equipment needed for the electives will be advised by the classroom teacher at the beginning of the school year.

BLACKTOWN GIRLS HIGH SCHOOL

A Partially Selective Girls High School

A note on School Uniform.....

The power of History is that it has the capacity to teach us lessons....

In 1989, Rudy Giuliani became Mayor of New York City. His promise was to 'clean up' New York and make it one of the greatest cities in the world. The rest is, as they say, 'history'. Mayor Giuliani did this, spectacularly! While doing this, Mayor Giuliani often used the expression "focus on the broken windows...." By this Mayor Giuliani meant that by *focussing on the smaller, basic issues, the big issues don't develop.*

After nearly 36 years of teaching, 14 years of these at Blacktown Girls High, experience has clearly shown me that Mayor Giuliani's "broken windows" idea has incredible relevance for schools..... *By tackling the smaller, basic issues we can prevent the 'big issues' from developing.*

So what are the 'small issues' in a school? ***The most significant 'small issue' in a school is school uniform.***

Why uniform?

There is so much professional research that points to the value of school uniform.

The wearing of a school uniform serves a variety of functions that include:

- promoting school safety, particularly in practical lessons;
- improving discipline, and enhances the learning environment;
- promoting the image of Blacktown Girls High School in the community;
- helping parents by negating the need to purchase fashionable and expensive items;
- assisting students resist peer pressure and demands on parents for 'designer' clothes;
- reducing theft – a common occurrence when students wear 'designer' clothes;
- helping school staff recognise intruders who might come into the school;
- preparing students for later life where uniforms form an integral part of employment

Uniform is the first 'broken window' that teachers often observe taking place before more significant decline.

Decline that can include:

- truancy,
- frequent unexplained absences,
- confrontational or inappropriate behaviour,
- disengagement from learning and
- falling grades.

The *School Education Act 1990* and the Department of Education, allow each school community to set its own school discipline and uniform code. Part of the school discipline code at Blacktown Girls High School is the requirement that all students wear school uniform.

Parents just like school staff, have an active role to play in making sure that correct school uniform is being worn. I ask for your assistance on this very important matter.

SCHOOL SHOES FOR 2019

Please consider the uniform rules when purchasing any items of clothing especially in the coming holidays.

<u>NO</u>		<u>YES</u>
	The “Chemical Safety Act” requires students to wear <i>covered / encased leather shoes</i> in Science labs, TAS classrooms and Art classrooms.	
	Several high schools have recently been inspected by ‘Work cover’ and were served notices that ballet-style shoes, Mary Jane shoes, joggers and non-leather upper shoes worn by many female students do NOT meet the requirements of a “covered shoe”. Principals have been instructed that students <i>MUST</i> meet the requirements of the OH&S and “Chemical Safety” Legislation	
		
	Sports shoes may only be worn in PDHPE classes	
	To satisfy this legislation students cannot wear any of the shoes listed on the left side of this page. The top of the foot must be enclosed in a leather upper. If purchasing shoes in the coming months, please ensure that only ‘approved’ shoes are purchased. Non-compliance will mean that your daughter may be excluded from practical lessons	
		

School students and

The smarter way for students to travel to and from school.

Introducing the School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using the train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There's no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts

How to apply

Applications for next year open at the start of Term 4 this year.

Step 1

Once the new school has confirmed your child's enrolment, complete the application at transportnsw.info/school-students

Step 2

The school endorses your application.

Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

Better together

The School Opal card is only for travel to and from school. So it's a good idea to get a Child/Youth Opal card for travel after hours, on weekends or during school holidays.

Child/Youth Opal card benefits

- Concession fares across the Opal network
- Half-price travel after eight paid journeys each week*
- \$1 transfer discount for every transfer between modes (train, ferry, bus or light rail) as part of one journey within 60 minutes from the last tap off †
- The Opal Transfer Discount doesn't apply when transferring between light rail and Sydney Ferries.
- Set auto top up and link it to your credit or debit card so there's always enough value on the card to travel.

Find out more and apply at opal.com.au or pick one up from an Opal retailer. To find one in your area visit retailers.opal.com.au

Secondary students aged 16 and over can travel with a Child/Youth Opal card when carrying a NSW/ACT Senior Secondary Student Concession Card, available from school and TAFE offices.

* Excluding Sydney Airport station access fee.

† The Opal Transfer Discount doesn't apply when transferring between light rail and Sydney Ferries.

For more information call **131 500** or visit transportnsw.info/school-students

Privacy

The personal information collected for the purposes of the Opal Ticketing System will be treated in accordance with the *Privacy and Personal Information Protection Act 1998 (NSW) (PPIPA)*. For information on how we handle such personal information please refer to the Opal Privacy Policy published on opal.com.au

Terms of Use

By ordering, using a School Opal Card you agree to be bound by the School Pass Terms and the Student Codes of Conduct, available at apps.transport.nsw.gov.au/ssts.

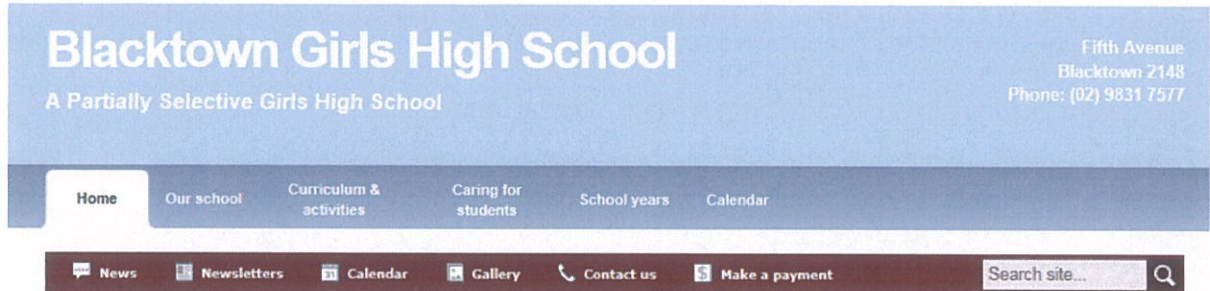

For help in your language, call the Translating and Interpreting Service (TIS) on **131 450**.

HOW TO USE ONLINE PAYMENT

1. Log into the school website: <http://www.blacktowng-h.schools.nsw.edu.au/>

2. Click on **MAKE A PAYMENT** button
3. This will take you to the Westpac Site:

Payment Details

Fields marked with an asterisk (*) are mandatory.

The process for making a payment is as follows:

1. Fill out all the required fields on this page.
2. Fill out credit card payment details on the next page.
3. Review and confirm your payment details on the confirmation page.
4. Review your payment receipt and optionally print it, or send it as an email.

Student Details

Student Registration Number

If this 9 digit number is on the Statement issued by the school it will be to the left of the student's name.

* Given Name

* Surname

Class or Year

Ref. or Invoice Number

This number may be on the top of the invoice or statement issued by the school. It may have the heading Ref.

* Date of Birth (dd/mm/yyyy)

e.g. 31/01/1990.

Required if only one of 'Class or Year' or 'Invoice Number' are filled.

Payer Details

* Full Name

Contact Phone Number

NOTE: Only the Fields marked with a **GREEN *** (asterisk) have to be completed.

Please complete the following fields:

- Given Name (students first name)
- Surname (student's surname)
- Class or Year (students class name)
- Date of Birth (students DOB)
- Payer Details – all the fields
- Payment Options – please choose the relevant box

4. Click Next

You will then see the following:

Payment Details

Fields marked with an asterisk (★) are mandatory.

You are paying to:	Vaucluse Public School
Payment Amount:	\$60.00 AUD
★ Card Holder Name:	<input type="text"/>
★ Credit Card Number:	<input type="text"/>  
★ Card Expiry Month:	01 <input type="button" value="v"/>
★ Card Expiry Year:	2017 <input type="button" value="v"/>
★ Card Verification Number (CVN):	<input type="text"/> What's this?

Click **Next** to proceed to the confirmation page where you can review your payment details.

Cancel
